This summer we want you to join our TRIBE

Looking for something to do with your own tribe over the summer holidays? Then join us for a week of tribal activities. You can make stone tools, paint shields, tackle assault courses and even build an iron-age hut! You can drop in and out as you please and all of it is free.

The only thing that we ask is that you have a great time and tell us what you thought of it afterwards.

We think it's going to be great, so pre-booking is essential. Please fill out and return the form below:
